

## **REMARKS**

In the Office Action, the Examiner issued a restriction requirement under 35 U.S.C § 121. Specifically, the Examiner indicated that claims 1-5 and 11-13 (Group I) are drawn to a Method for Surgical Navigation of an Instrument, while claims 6-10 (Group II) are drawn to a Method of Facilitating a Medical Procedure and claims 14-17 (Group III) are drawn to a Method of Surgical Navigation of a Plurality of Instruments.

Applicant elects Group I, namely claims 1-5 and 11-13, without traverse. Consequently, in this Amendment, Applicant has canceled claims 6-10 and 14-17. Applicant has not added nor amended any claims. Accordingly, claims 1-5 and 11-13 will be pending after entry of this Amendment.

## **CONCLUSION**

It is submitted that all the pending claims, namely claims 1-5 and 11-13 are in condition for allowance. Allowance is earnestly solicited at the earliest possible date.

Respectfully submitted,

STATTLER, JOHANSEN & ADELI LLP

Dated: November 20, 2006
